DECLARATION IN SUPPORT OF MOTION FOR
ADMINISTRATIVE RELIEF

1 I, Jack C. Provine, declare:

2 1. I am the lead trial attorney for defendant and cross-claimant NDM, LLC ("NDM")
 3 in this case and make this declaration in support of NDM's Motion for Administrative Relief
 4 from General Order 56 in Order to file a Motion for Summary Judgment against cross-defendant
 5 Quest Diagnostics, Inc. ("Quest").

6 2. On June 6, 2008 my associate, Kathryn Allen, and I wrote a letter to Joseph Miller,
 7 counsel for Quest, requesting that he stipulate to the filing of the instant motion, as required by
 8 Civ. LR 7-11(a). Attached hereto as Exhibit 1 is a true and correct copy of such letter.

9 3. On June 9, 2008, Mr. Miller responded by email that he would not so stipulate.

10 4. On June 9, 2008 my associate, Kathryn Allen, and I responded by email clarifying
 11 that we requested stipulation to allow the filing of a motion for administrative relief (as required
 12 by Civ. LR 7-11).

13 5. On June 9, 2008 Mr. Miller again responded by e-mail effectively stating that he
 14 would not stipulate to allow filing of the instant motion. Attached hereto as Exhibit 2 is a true
 15 and correct copy of the e-mail string documenting the foregoing e-mail communications.

16 6. The parties have agreed to execute a Consent Decree in order to resolve the
 17 injunctive relief issues in this Americans with Disabilities Act ("ADA") and California access
 18 case. Moreover, the parties have a mediation scheduled on June 17, 2008, at which time the
 19 parties will mediate Plaintiff's damages issues. However, one of the main issues in this case is
 20 liability as between the defendants, NDM and Quest, the lessor and lessee of the subject premises.
 21 Accordingly, a judicial determination as to the respective liability between NDM and Quest will
 22 be helpful in order to achieve and full and final resolution of this case.

23 I declare under penalty of perjury pursuant to the laws of the State of California that the
 24 above is true and correct. Executed this 11th day of June, 2008 at Walnut Creek, California.

Re: Bonnie Regina v. Quest Diagnostics, Inc., et.al.
U.S. District Court Case No. C07-03881JCS

Dear Mr. Miller:

This letter is a follow up to our May 22, 2008 letter to you. As we advised, we intend to seek administrative relief from the Stay of General Order 56 in order to file a Motion for Summary Judgment on NDM's First and Second Cross Claims against Quest and for Summary Judgment against Quest on Quest's First through Fourth Cross-Claims against NDM.

Since Judge Spero's Civil Standing Order at C.18 provides that parties meet and confer regarding a joint statement of the undisputed facts, I am writing to request a time during which we can meet and confer regarding the proposed joint statement sent to you on May 22. I am available any time Monday, Tuesday, or Wednesday of next week.

Secondly, Civ. Local Rule 7-11 requires that a Motion for Administrative Relief be accompanied by either a Stipulation, or a declaration explaining why a stipulation could not be obtained. Accordingly, enclosed for your consideration is a proposed stipulation. If the enclosed is acceptable, please call or e-mail with your approval, so that the enclosed can be electronically filed.

Please let us hear from you as soon as possible. If we do not hear from you by Wednesday, June 10, we will proceed with a declaration explaining such and file the motion for Administrative Relief.

I don't believe that you can file the motion until after the mediation. Furthermore, you still have not given me any idea when you intend to file the motion or have it heard. I need that information because we will need time to conduct the discovery to oppose the motion. Finally, if the case does not resolve at the mediation, we are considering having the case referred to arbitration pursuant to paragraph 37 of the lease.

I should be in the office late tomorrow morning. Give me a call to discuss.

We are asking you to stipulate to our moving for relief from stay for the purpose of filing a Motion for Summary Judgment. We are required to submit such stipulation (or declaration explaining why the parties have not stipulated) pursuant to Local Rule 7-11. This is different than the meet and confer requirement for the Separate Statement. Please let us know by close of business tomorrow (June 10) whether you agree to stipulate to our Motion for Relief from Stay.

Thank you.

Dear Ms. Allen

I am now in receipt of your June 6 e-mail. For reasons, that I suspect have to do with secretarial flux in our office last month, I did not see the May 22 letter until today. There was, however, no statement of undisputed facts accompanying the May 22nd letter. Obviously I cannot comment on what I have not seen. Beyond that, I cannot stipulate to your proposed motion because you have not bothered to explain what relief you are seeking or the basis therefor. In terms of your wanting to file a summary judgment motion, that of course is your prerogative.

Obviously any such motion will need to come after we have completed the essential discovery to oppose it. In addition to not having your proposed statement of undisputed facts, this is a very bad week for me to meet and confer. I am available next Wednesday, Thursday or Friday.

In the meantime, e-mail the proposed statement to me. Let me know what works for you.

Regards

JDM
